- To use adjectives to add detail to the poem

Rhyming couplets:

- To know what rhyme means and to identify words that rhyme
- To recite a poem with rhyming couplets from memory
- To write a poem using rhyming couplets

Sense poem

I am a bee.

I see a field of flowers.

I taste the pollen of the flowers.

I smell the flowers scent.

I hear the wind blowing around me.

I feel the sun on my wings.

I am a bee in the spring.

What should I already know?

- To recall a range of well-known nursery rhymes

Rhyming couplets

The Animals

I saw a little frog
It was on a log

There is a pig
Who likes to dig

A silly fox
Sitting on a box

Look at that bat
He is wearing a hat!

That tiny ant
Look at him pant!

That busy bee
Just smiled at me!
