Introduction to PE Unit 1

Nursery/Reception

About this Unit

In this unit children will be introduced to Physical Education and structured movement through the topic of 'fantasy and adventure'.

They will spend time learning basic principles of a PE lesson such as finding space, freezing on command, using and sharing equipment and working individually, with a partner and group. They will take part in activities which will develop fundamental movement skills such as running, jumping, skipping.

Witches and Wizards

Witches and wizards wear pointy hats,
Witches make potions and have magic cats.
Witches climb upon their magic brooms,
And fly high and low with a va va vroom!
Wizards stand tall in their long dark cloaks,
And can vanish before you in a puff of smoke.
Wizards have powerful wands to cast spells,
'Abracadabra' they loudly yell.
I wonder if we could see,
Just how fun being wizards and witches could be.

Ladder Knowledge

Problem Solving:

Children will learn to make simple decisions in response to a task.

Navigational Skills:

Children will learn that moving into space away from others and leaving a gap when following a path will help to keep them safe.

Communication:

Children will learn that talking with a partner will help them to solve challenges e.g. 'let's go to the green hoop next'.

Reflection:

Children will begin to identify when they are successful.

Rules:

Children will learn that rules help to keep us safe.

Personal, Social and Emotional

This unit will develop the following skills:

Social

share, communication, work safely, co-operation, leadership

Emotional

independence, perseverance, confidence

Thinking

select and apply actions, comprehension, reflection, make decisions

Physical Development

Physical Skills

- run
- jump
- hop
- skip
- balance
- crawl

Children will be taught to:

- Move around safely and with control.
- Have an awareness of others and items in the teaching space.
- Take turns when instructed.
- To store equipment safely when not in use.

Communication and Language

Key Vocabulary

avoid	freeze	space
backwards	safe	stop
forwards	sideways	partner

If children enjoy this unit why not see if there is a multi sports club in their area.

This unit will help children to:

- change direction
- balance
- move different body parts at the same time
- be faster
- move for longer

Home Learning

Grandmother's Footsteps!

What you need: three or more people

How to play:

- One person begins as the 'Grandmother', facing away from the others at the other end of the space.
- All other players begin behind a marker which shows the start line.
- Grandmother says 'go' and players try to creep up to the Grandmother without being heard.
- If the Grandmother turns around, everyone must freeze. If the Grandmother sees anyone move, they get sent back to the start.
- When the Grandmother turns away, everyone is allowed to creep again.
- The first person to get to the Grandmother wins the game and starts as the Grandmother in the next round.

Introduction to PE Unit 2

Nursery/Reception

About this Unit

In this unit children will be introduced to Physical Education and structured movement through the topic of 'everyday life'. They will spend time learning basic principles of a PE lesson such as safely using space, stopping safely, using and sharing equipment and working individually, with a partner and group. They will take part in activities which will develop fundamental movement skills such as running, jumping and skipping. Children will also play simple games and begin to understand and use rules.

Everyday Life

Communication and Language

Key Vocabulary

catch	path	score
direction	rules	space
partner	safely	stop

If children enjoy this unit why not see if there is a multi sports club in their area.

Children will be taught to:

- Move around safely and with control.
- Have an awareness of others and items in the teaching space.
- Take turns when instructed.
- To store equipment safely when not in use.

This unit will help children to:

- change direction
- balance
- move different body parts at the same time
- be faster
- move for longer

Ladder Knowledge

Find Three Things

What you need: two or more people

How to play:

- One person says 'find three things that are.... blue.' etc.
- The other person then has to collect three things that are blue and bring them back.
- Make this harder by timing the player to see how long it takes them.
- Other things that could be collected include 'find three things that are... spotty, start with the letter 'C', round, soft to touch.'

Play with more people by seeing who can collect the three items first.

Ball Skills Unit 1

Nursery/Reception

About this Unit

In this unit children will develop their ball skills through the topic of 'minibeasts'. Children will develop fundamental ball skills such as rolling and receiving a ball, throwing to a target, bouncing and catching, dribbling with feet and kicking a ball. Children will be able to develop their fine and gross motor skills through a range of game play using a variety of equipment. Children will be given opportunities to work independently and with a partner.

Ladder Knowledge

Sending:

Children will learn to look at the target when sending a ball.

Catching:

Children will learn to have hands out ready to catch.

Tracking:

Children will learn to watch the ball as it comes towards them and scoop it up with two hands.

Dribbling:

Children will learn that keeping the ball close will help with control.

Personal, Social and Emotional

This unit will develop the following skills:

Social

work safely, collaboration, co-operation, support others

Emotional

perseverance, independence, honesty

Thinking

use tactics, comprehension

Physical Development

Physical Skills

- roll
- stop a rolling ball
- throw
- bounce
- catch
- dribble with feet
- kick

Children will be taught to:

- Move around safely and with control.
- Have an awareness of others and items in the teaching space.
- Take turns when instructed.
- To store equipment safely when not in use.

Communication and Language

If you enjoy this unit why not see if there is a ball game e.g. a football club in your local area.

Key Vocabulary

bounce	points	score
catch	roll	space
dribble	run	target
hit	safely	throw
kick		

This unit will help children to:

- change direction
- balance
- move different body parts at the same time
- be faster
- move for longer

Kick, Roll, Throw

What you need: a ball, a target object

How to play:

- Players stand 3m away from a target object.
- Players explore hitting the target with a kicking, rolling and throwing.

Challenge:

How many times does it take for you to hit your target with kicking, rolling and throwing?

Play the game again, can you beat your score?

This unit will help children to:

- change direction
- balance
- move different body parts at the same time
- be faster
- move for longer

Kickaroo

What you need: a ball, pillows

How to Play:

- Place a pillow a few steps away. Practice kicking the ball to hit the pillow.
- Kick the ball and chase after it, try to catch it before it stops moving.
- Count how many times you can kick the ball within a certain time frame (e.g., 1 minute).
- Create an obstacle course using pillows. Kick the ball around the obstacles.

Dance Unit 1

Nursery/Reception

About this Unit

In this unit children will develop their expressive movement through the topic of 'everyday life'. Children explore space and how to use space safely. They explore travelling movements, shapes and balances. Children choose their own actions in response to a stimulus. They are given the opportunity to copy, repeat and remember actions. They are introduced to counting to help them keep in time with the music. They perform to others and begin to provide simple feedback.

Everyday Life

Ladder Knowledge

Actions:
Children will learn that they can move their bodies in different ways to create interesting actions.

Dynamics:
Children will learn that they can change the action to show an idea.

Space:
Children will learn that if they move into space it will help to keep themselves and others safe.

Performance:
Children will learn that when watching others they should sit quietly and clap at the end.

Strategy:
Children will learn that if they use lots of space, it will help to make their dance look interesting.

Personal, Social and Emotional

This unit will develop the following skills:

- Social** work safely, respect, collaboration
- Emotional** independence, confidence
- Thinking** select and apply actions, creativity, exploration, recall, provide feedback

Physical Development

Physical Skills

- actions
- dynamics
- space

Children will be taught to:

- Be bare foot for dance.
- Move around safely and with control.
- Have an awareness of others in the teaching space.

If you enjoy this unit why not see if there is a dance club in your local area.

Communication and Language

Key Vocabulary

		move
action	direction	shake
bend	high	space
count	low	twist

Home Learning

Find more games that develop these skills in the Home Learning Active Families tab on www.getset4education.co.uk

Transport Dance

What you need: some music

How to Play:

Explore the following actions for each method of transport:

- cars: jog, holding arms up as if steering around the area. Use big exaggerated movements using lots of space and different pathways. Turn your wheel to change direction.
- train: march around making a circling motion with the arms, elbows bent. High knees and big arm circles.
- planes: fly/soar, jog around with arms spread out wide for wings. Vary the level used by flying high and low.

Create a dance using each of the different methods of transport. Use counts of 8 to help you stay in time with your chosen music.

Make this harder by creating actions for another method of transport.

Musical Statues

What you need: some music, someone to stop and start the music

How to Play:

- When the music starts players start dancing. Dance however you like - hop, skip, twirl, or anything else that makes you happy! Let the music inspire your moves.
- When the music everyone must freeze like a statue until the music starts again.
- Keep dancing and freezing whenever the music stops.

Playing with others? Every time someone moves when the music stops, they become the helper to stop the music next time. Who can be the last one dancing?

@getset4education136

About this Unit

Children will develop their fundamental movement skills through the topic of 'all about me'. Fundamental skills will include balancing, running, changing direction, jumping, hopping and travelling. Children will develop gross motor skills through a range of activities. They will learn how to stay safe using space, follow rules and instructions and work independently and with a partner.

Senses

Communication and Language

Key Vocabulary

balance	jump	space
bend	land	stop
direction	run	travel
hop	safe	

If children enjoy this unit why not see if there is a multi sports club in their area.

This unit will help children to:

- change direction quickly
- balance
- move different body parts at the same time
- be faster
- move for longer

Ladder Knowledge

Running:
Children will learn to use big steps to run and small steps to stop. They will also learn that moving into space away from others helps to keep them safe.

Balancing:
Children will learn to hold their arms out to help them to balance.

Jumping:
Children will learn that bending their knees will help them to land safely.

Hopping:
Children will learn that to hop they will use one foot.

Skipping:
Children will learn that if they hop then step that will help them to use skipping as a travelling action.

Personal, Social and Emotional

This unit will develop the following skills:

Social support others, work safely, take turns
Emotional honesty, determination
Thinking decision making, comprehension, select and apply

Physical Skills

Physical Development

- run
- balance
- change direction
- jump
- hop
- travel

Children will be taught to:

- Move around safely and with control.
- Have an awareness of others and items in the teaching space.
- Take turns when instructed.
- To store equipment safely when not in use.

Walk the plank

What you need: dressing gown ropes and 2x ball of socks

How to play:

Create a path using the dressing gown ropes.

- Challenge 1: Can you walk the plank without touching the floor? Now try walking backwards.
- Challenge 2: Can you walk the plank whilst balancing a ball of socks on your head?
- Challenge 3: Can you walk the plank whilst throwing and catching a ball of socks, to yourself or to and from a partner.
- Challenge 4: Can you walk the plank whilst balancing the ball of socks on your head and throwing and catching with the other pair of socks?
- Challenge 5: Can you walk the plank whilst throwing and catching one pair of socks in one hand to yourself, whilst throwing and catching the other pair of socks with a partner?

Traffic Lights

What you need: an adult to call the instructions

How to play:

- Children imagine they are getting in the car, putting their seatbelt on and holding their steering wheel.
- They complete the instructions said by the adult e.g.
- Green light: jog around
- Red light: stop
- Yellow light: sit down
- Roundabout: spin a circle
- Speed bumps: jump up and down
- Zebra crossing: lie in a straight shape
- Reverse: walk backwards

Have a go at making up your own. You could even include different gears for different speeds.

www.getset4education.co.uk

Head to our youtube channel to watch the skills videos for this unit.  @getset4education136

About this Unit

Children will develop their understanding of playing games through the topic of 'transport'. Children will practise and further develop fundamental movement skills through games. They will also learn how to score and play by the rules, how to work with a partner and begin to understand what a team is, as well as learning how to behave when winning and losing.

Communication and Language

Key Vocabulary

catch	safe	stop
caught	safely	team
jog	score	throw
rules	space	turn
run		

If children enjoy this unit why not see if there is a multi sports club in their area.

Ladder Knowledge

Running:

Children will learn to use big steps to run and small steps to stop.

Throwing:

Children will learn to point their hand at their target when throwing.

Catching:

Children will learn to watch the ball and have hands out ready to catch.

Tactics:

Children will learn to make simple decisions in response to a task.

Rules:

Children will learn that rules help them to stay safe.

Personal, Social and Emotional

This unit will develop the following skills:

Social

work safely, communication, co-operation, support and encourage others

Emotional

confidence, honesty, determination, manage emotions

Thinking

comprehension, decision making

Physical Development

Physical Skills

- run
- balance
- change direction
- throw
- catch

Children will be taught to:

- Move around safely and with control.
- Have an awareness of others and items in the teaching space.
- Take turns when instructed.
- To store equipment safely when not in use.

Home Learning

Shadow tag

What you need: A sunny day, two plus players, two socks (optional)

How to play:

- First, find your shadow. Change direction and explore the effect it has on your shadow. Discuss with a family member how the angle of your shadow is affected by the location of the sun.
- Try chasing your own shadow.
- Select one player to begin as the tagger. They tag other players by stepping on their shadow. Once caught players change roles.
- Playing with just two players? First to three tags wins that round. First to win 5 rounds wins the game.
- Change the game by allowing players to throw socks at the shadow instead of stepping on them.

Games Unit 2

Nursery/Reception

About this Unit

In this unit children will practise and further develop their fundamental movement skills through the topic of 'around the world'. Children will learn and develop these skills by playing a variety of games. They will also learn how to work as a team, take turns, keep the score, play against an opponent and play by the rules.

Communication and Language

Key Vocabulary

aim	lose	stop
gallop	partner	tag
hit	run	target
hop	safely	team
jump	score	win

If children enjoy this unit why not see if there is a multi sports club in their area.

Ladder Knowledge

Running:

Children will learn to use big steps to run and small steps to stop.

Throwing:

Children will learn to point their hand at their target when throwing.

Catching:

Children will learn to watch the ball and have hands out ready to catch.

Striking:

Children will learn to point their racket at their target when striking.

Tactics:

Children will learn to make simple decisions in response to a task and that there are different roles in games.

Rules:

Children will learn that rules help them to stay safe.

Personal, Social and Emotional

Social Emotional Thinking

This unit will develop the following skills:

communication, help others, respect, take turns, co-operation

perseverance, honesty, determination, manage emotions

comprehension, decision making, select and apply, reflection

Physical Development

Physical Skills

- run
- throw
- change direction
- catch
- strike

Children will be taught to:

- Move around safely and with control.
- Have an awareness of others and items in the teaching space.
- Take turns when instructed.
- To store equipment safely when not in use.

Home Learning

Capture the Socks

What you need: a basket, four pairs of rolled up socks and two players

How to play:

- Place the socks randomly in the playing area.
- One player (the attacker) begins at the basket.
- The defender begins three big steps away.
- The attacker has six attempts to collect a pair of socks and place them into the basket.
- The defender can tag the attacker once they leave the basket and if caught the attacker must return to the basket and start again.

How many socks did you get in the basket?

www.getset4education.co.uk

This unit will help children to:

- change direction quickly

pike

straight

straddle

Communication and Language

Key Vocabulary

balance	land	squeeze
bend	rock	star
copy	roll	still
hold	shape	straight
jump		

If children enjoy this unit why not see if there is a gymnastics club in their area to signpost them to.

Ladder Knowledge

Shapes:

Children will learn to make different shapes with their body.

Balances:

Children will learn to be still when holding a balance.

Rolls:

Children will learn to change their body shape to help them to roll.

Jumps:

Children will learn that bending their knees will help them to land safely.

Strategy:

Children will learn that counting to five when holding a shape or balance will allow people to see it clearly.

Personal, Social and Emotional

This unit will develop the following skills:

Social

work safely, collaboration, share and take turns

Emotional

determination, confidence

Thinking

comprehension, creativity, select and apply

Physical Development

Physical Skills

- shapes
- balances
- jumps
- rocking
- rolling
- travel

Children will be taught to:

- Move around safely and with control.
- Have an awareness of others and items in the teaching space.
- Take turns when instructed.
- To store equipment safely when not in use.
- Remove shoes and socks when taking part in gymnastics lessons.
- To use apparatus safely.

Transporter

What you need: two markers and an object to balance

How to play:

- Place two markers 5m apart.
- Begin next to one of the markers. The aim of the game is to transport your object from one marker to another without dropping it on the floor.
- Can you find a way to transport the object balancing it on your:
 - Stomach
 - Arm
 - Head
 - Back
- Playing against someone else? Race each time to see who can transport the object the quickest.

www.getset4education.co.uk

This unit will help children to:

Book Balance

What you need: your favourite story

How to play:

- Using your favourite story, pick out three characters and create a balance that represents each one e.g.

- Read through your story or ask someone else to!
- Each time the character is mentioned, hold the balance you have created for five seconds.
- Make this harder by holding your balance until the next character is mentioned!

www.getset4education.co.uk

This unit will help children to:

- balance
- move different body parts at the same time
- be stronger
- be more flexible
