

Year UKS2 Rounders

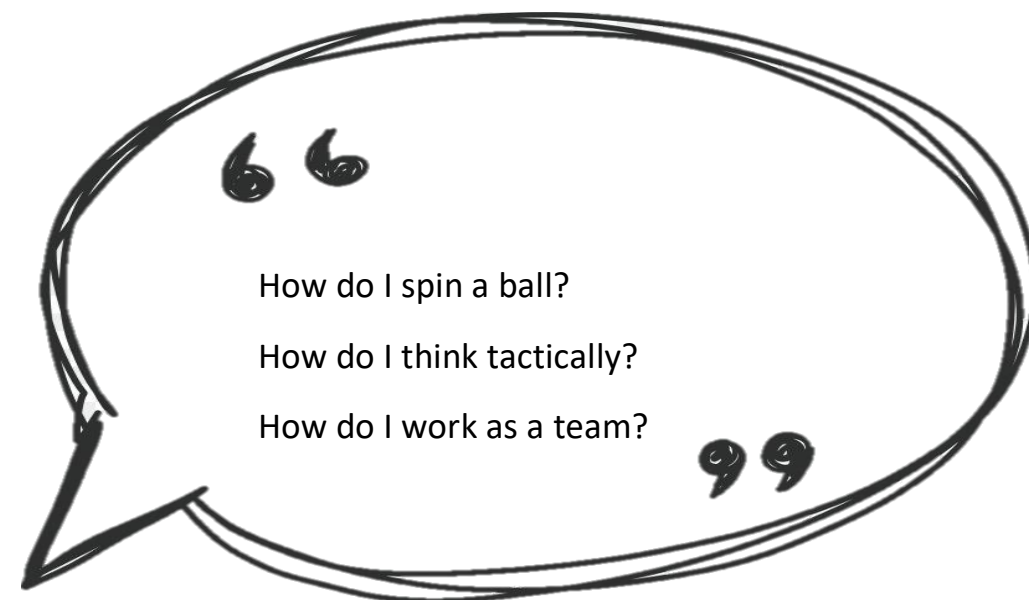

Knowledge Organiser: PE

Key Vocabulary

Rounder	Runs	Bowler	Bases	Caught out
---------	------	--------	-------	------------

In LKS2, you learnt: the rules of rounders, knowing how to stop at bases and how to earn half rounders as well as full rounders. Also, how to throw and catch over longer and shorter distances and how to strike the ball with a rounders bat.

Key facts

In KS2, children will refine the rules of rounders and learn some tactics. Children will refine their throwing and catching and will throw and catch over short and longer distances. Children will be aiming to join the school team.

Key skills

Children should now be throwing and catching over short and long distances at speed. They will strike the ball into a clear position and attempt to learn how to put a spin on a bowled ball. They should be working as a team to beat opposition by developing leadership and communication skills.
