YEAR 6

I wonder, what makes a strong house?

How can I make a seasonal snack?

How can we bring the magical dream worlds to life through pop-up book design?

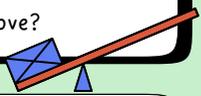

How can we show the journey from darkness to light in a nightlight?

I wonder, what did Goldilocks eat?

How do sliders & levers make pictures move?

How can air pressure and pneumatics help us show the power of earthquakes and volcanoes?

How can we tell Tudor stories with moving designs?

How can we design and build strong spaceships for travelling into space?

How can we create the perfect cupcake to for a picnic?

How can we design and delicious dips and breads inspired by Greek food?

I wonder, how we can make a tasty soup?

Why did castles fly banners – and can we make one too?

Could we impress a Roman emperor with our perfect pizza creation?

Could a handmade toy bring hope to an evacuee in WWII?

I wonder, how I can join materials together?

How can we build a machine to travel through a fantasy world?

How can we create a buzz-worthy game everyone wants to play?

How has global trade changed our plates – and can we design a meal to celebrate it?

I wonder, how can we make home for a minibeast?

How did bread spark a fire – and can we bake it ourselves?

How can we use decorative stitches to design and make a unique bookmark?

Can we create a bridge that's tough, clever, and life-changing?
